

Overview of Key Steps

My LOKELMA Support Program offers comprehensive support through AstraZeneca's Access 360 to help your patients get started

Through Access 360, the *My LOKELMA Support Program* offers access support to patients who are starting or already taking LOKELMA. The program offers many benefits, including:

Assistance with understanding patient insurance coverage

Prior authorization, claims, and appeal process support

Eligibility requirements and enrollment assistance with the LOKELMA Co-pay Savings Card

Referrals to AZ&Me[™] Prescription Savings Program, AstraZeneca's patient assistance program

Information about independent patient assistance foundations

If you have questions, **Access 360** has Specialists who can provide access support Monday to Friday, 8 AM to 8 PM ET.

1-866-494-8080
