

Considerations for a Peer-to-Peer Medical Review

This resource is offered as a preparation guide for peer-to-peer reviews between a health care provider and a payer (eg, insurance company, health plan) to be used when responding to denial of coverage.

Use of this resource does not guarantee that the payer will provide reimbursement for any medication.

Peer name:	Meeting date:/
Authorization number (if approved):	
WHAT TO PREPARE BEFORE YOUR MEETING	WHAT TO EXPECT DURING YOUR MEETING
Confirm the meeting date and time, gather all required documentation, and prepare to thoroughly support your treatment decision rationale.	Prepare to provide/discuss the following resources: Drug information
Please note: your peer reviewer may work within a different specialty.	☐ Brand and established name ☐ Relevant NDC number(s)
Gather and review documentation previously provided to payer	□ Prescribing Information□ Dosing and administration
☐ Patient clinical documentation: case notes, date(s) of service, treatment history, laboratory results, etc	☐ ICD-10-CM codes Literature supporting your decision to prescribe a medication
☐ Claim form and explanation of benefits (EOB), if claim was submitted	☐ Relevant clinical guidelines ☐ Peer-reviewed journal articles
☐ Prior authorization request	□ Compendia listings Next steps
☐ Letter of medical necessity	□ Confirm timing for approval
□ Payer denial letter(s)	□ Note any required follow-up steps
☐ Letter of appeal
